

	Monday June 12th	Tuesday June 13th	Wednesday June 14th	Thursday June 15th	Friday June 16th
		8:30 Opening remarks/registration			
		9:00 Quantum materials	9:00 Thermal transport and dissipation	9:00 Engineered nanomaterials and nanostructures	9:00 Neuromorphic computing
		10:45 Coffee break	10:45 Coffee break	10:45 Coffee break	11:00 Coffee break
		11:15 Quantum electron transport I	11:15 Semiclassical electron transport	11:15 2D materials and devices	11:30 Electrons under electromagnetic fields
		13:00 Lunch included / Posters	13:00 Lunch included / Posters	13:00 Lunch included / Posters	13:15 Closing remarks
15:00	Special session on "quantum transport simulators"	15:00 Machine Learning	15:00 Advanced nanoelectronics	15:00 Special session in honor of David K. Ferry	
16:30	Coffee break	16:30 Coffee break	16:30 Coffee break	16:30	
17:00	Special session on "quantum transport simulators"	17:00 Growth and interface processes	17:00 Quantum electron transport II	18:00 Visit to Barcelona	
18:30	IWCN Welcome reception/registration		18:30	20:00 Gala dinner	
19:00
